NO BANNERS OR FLAGS AT DEEPPDALE

The Directors have regretfully decided that banners and flags cannot be permitted inside the ground, at either first or second team games.

Experience has proved that they irritate and endanger supporters. To obviate friction of this kind spectators are asked not to bring banners or flags to games at Deepdale.

CLUB NOTES

FIRST MOVES TOWARDS RE-BUILDING

Much has happened since our last programme Notes on February 25th, the occasion of our return match with Bolton Wanderers at Deepdale. Two successive defeats (by 1-2 at Coventry and 0-3 v. Hearts at home in a friendly) had already followed our last home win, which was against Norwich on February 4.

Regrettably the team have experienced another three defeats in the three succeeding matches. Bolton, as last season, prevailed at Deepdale, thereby putting on record a 4-2, 3-1 double at North End's expense. The postponed away game with Crystal Palace ended 0-1 against Preston and we also lost the next match—at Charlton last Saturday—and again failed to score.

As a result the club's Second Division record has slumped from 31 points from 27 games, with a high position in the table, to 33 points from 33 games and a mid-table position. No supporter needs reminding that this decline finally extinguished our once bright promotion hopes for this season.

It is extremely disappointing, not least to the management and players, but supporters are earnestly assured that this further rebuff will not mean the slightest relaxation of our efforts to regain the place lost in Division I in April 1961. On the contrary promotion remains the major aim of this club.

The reactions of supporters are well understood, since we all know how it feels to suffer frustration, and none more so than those who have worked hard behind the scenes to achieve something different, but it is quite wrong to suggest that there is any apathy. Your Board will do everything possible to revive interest and launch another promotion drive next season.

CLUB NOTES—*continued*

Changes on the playing side have given North End prominence in the news recently. Alex Dawson, whose request for a transfer was granted, was signed by Bury, and Dave Wilson, who had been in dispute with the club for some time, was transferred to Liverpool at the fee fixed by the Joint Tribunal.

They will be remembered for some good contributions to North End's best performances in recent years and are thanked for their services, as is Howard Kendall, whose transfer to Everton yesterday week for a large fee, was prominently featured in the Local and National Press. The fee was a British record for a wing half under 21 years of age.

While deeply regretting his departure, we wish this outstanding young player good luck and success in his efforts to further his quite natural ambition to shine in a higher sphere. He has been well liked at Preston and his display in the 1964 Cup Final when only 17 will never be forgotten.

New on the Deepdale scene with, we sincerely hope, a highly successful career ahead of him in English football is the latest Scot to become a Preston player—Jimmy Forrest, the 22-year-old Scottish international centre forward who was signed from Glasgow Rangers on Thursday for a big fee. He has the reputation of being a splendid type of professional as well as a very good player.

His signing is only the beginning of North End's intended rebuilding efforts for next season, with particular application to known weaknesses. Promising apprentice Dick Heppolette has turned professional, this being his reward for his steady advance in Central League football.

OUR VISITORS—Derby County

Always popular visitors, Derby County have been coming to Deepdale since the League was founded in 1888. Once again we extend them a hearty welcome. In that inaugural season Preston won by 3-2 at Derby, and completed a double with a 5-0 home win. Derby lost their next five games at Deepdale by 0-5, 0-6, 0-3, 0-1, 0-1.

Thus they had to wait until November 17th, 1894, before scoring their first goal on this ground, but were beaten again by 3-2. Of the first 11 League games with Derby, North End won 10 and lost one, but results in the succeeding years were more even and marked by keen rivalry. Three games are particularly remembered.

The first two were in the last season before World War I. Both teams had been relegated together and fought neck and neck to gain promotion at the first attempt.

In this aim they were successful, but Derby won at Deepdale by 3-1 shortly before Christmas, 1914, and in the last match of the season prevailed at home by 2-0, thus making sure of the championship. Preston finished runners-up with 50 points to Derby's 53, both well ahead of other contenders.

Then there was that terrific thriller of December, 1947, at Deepdale. Derby, a powerful side that season, finishing fourth in the League, soon got a good lead through Angus Morrison's enterprising leadership, but North End fought back magnificently to take complete command and run out winners by 7-4. We were two goals down in seven minutes, four times in arrears and level (3-3) at half-time.

OUR VISITORS—Continued from page 9

The Rams had not been beaten for 10 games. To settle any arguments here is the North End team, with scorers in parentheses: Gooch; Gray, Robertson; Shankly, (2, 1 pen.), Williams, Horton; Finney, Beattie (1), Willie McIntosh (2), McLaren (2) and Anders. Although Tom Finney did not score he played a great game.

Founded in 1884 as a winter section of the County Cricket Club, Derby have never been higher than runners-up in Division One (a feat achieved three times), but they have reason to be proud of an outstanding F.A. Cup record, having appeared in the Final four times, winning the trophy in 1946.

Derby are in their tenth season of a fifth spell of Second Division football, covering 23 of their 68 seasons in the Football League. For as many as 43 seasons they were a First Division team, starting with 19 seasons. They also retained unbroken membership from 1926 to 1953, a period of 20 seasons.

Falling on lean times, they they had two years in Division II and in 1955 made acquaintance with Division III (Northern Section) for the first time. They were in two seasons and soon proved themselves in a false position by getting 63 points in each campaign.

WARNING TO YOUNG SUPPORTERS

Despite requests to supporters that the playing area should be kept clear at all times, juvenile spectators have come on to the pitch during several recent matches. Such irresponsible behaviour could result in this Club being the subject of action by the Football Association. If these incursions on to the pitch do not cease, the Board of Directors may be compelled to close ALL JUVENILE STILES AT BOTH FIRST AND SECOND TEAM GAMES. This is a course of action they do not wish to take, but order must be preserved at games at Deepdale for the safety of all spectators.
